

SUBASH S

DATA ANALYST

Portfolio | iamsubashsr6@gmail.com | [LinkedIn](#) | 9566916641 | Chennai, India

SUMMARY

Data Analyst with 3+ years of experience delivering Business Intelligence, Statistical Analytics, Forecasting, Marketing Analytics and Process Automation solutions. Proficient in Power BI, SQL, R, Advanced Excel, API Integration and Data Modeling, with hands on experience in Marketing Mix Modeling (MMM), Time Series Forecasting, Natural Language Processing (NLP) and KPI Analytics. Passionate about transforming complex data into actionable insights that drive strategic business decisions.

WORK EXPERIENCE

Data Analyst | Zero Gravity Groups

June 2025 - Present

- Developed enterprise **Power BI dashboards** across HR, Finance, IT, Administration, Sales, Marketing, Operations, and Event Coordination, enabling Executive **KPI Monitoring, Business Intelligence, and Data Driven Decision Making**.
- Designed and optimized Power BI Data Models using **Power Query, DAX, Measures, Calculated Columns, Calculated Tables, Append/Merge Queries, and Data Modeling** to deliver scalable, high performance analytical solutions.
- **Automated Business Reporting**, Executive Reporting and **Reporting Workflows using Power BI**, Advanced Excel, Google Sheets, and **API Integration**, while configuring **Scheduled Dataset Refreshes** to ensure accurate and timely reporting.
- Developed department specific **workflow trackers and data collection systems** to streamline business processes, improve **data accuracy**, reduce manual effort and **support seamless operational workflows**.
- Built **Productivity Dashboards to monitor employee performance**, departmental KPIs and Photography Operations, tracking photographer productivity, shoot completion, editing turnaround time (TAT), and client delivery performance.
- Applied **Time Series Forecasting (Moving Average)** to support Sales Forecasting, Target Planning, Budget Forecasting, and **Procurement Planning**, enabling data driven business decisions.
- Implemented **Marketing Mix Modeling (MMM), ROI Analysis, Channel Contribution Analysis** and **Natural Language Processing (NLP)** based Sentiment Analysis to optimize marketing investments and improve customer experience.
- Automated Attendance, HR, **Payroll and Inventory Analytics** by integrating ESSL, internal databases, and business applications into centralized reporting solutions.
- Performed **KPI Analysis, Trend Analysis, Business Performance Monitoring, and Root Cause Analysis** to identify **Operational Risks**, uncover Business Opportunities and deliver **Actionable Insights to executive leadership** while collaborating with cross-functional stakeholders.

- Created and maintained **daily sales reports in Excel**, performing data cleaning and validation to ensure **accurate Power BI dashboards**, improving data driven decision making efficiency by **20%**.
- Developed **sales and inventory dashboards** to track team **targets, performance trends and stock** levels, enhancing sales visibility and reducing stockouts **by 10%**.
- Built **in house team performance dashboards to monitor calls, client interactions and sales** activities, providing real time insights and improving team accountability.

SKILLS

- **Programming:** SQL, R, Python (Basic)
- **Business Intelligence:** Power BI, DAX, Power Query, Data Modeling
- **Statistical Analytics:** Forecasting, MMM, NLP, Regression, KPI Analysis
- **Reporting & Automation:** API Integration, Scheduled Refresh, Workflow Automation
- **Data Management:** Advanced Excel, Google Sheets, ETL, Data Cleaning

EDUCATION

- MSc in Statistics | 8.5 GPA | 2022 | Presidency College, Chennai
- BSc in Statistics | 5.6 GPA | 2020 | Presidency College, Chennai
